craft masking tape

PRODUCT INSTRUCTIONS

The **Incraftables Craft Masking Tape** set is perfect for crafters, artists, teachers, and DIY enthusiasts who need colorful, versatile tape for various projects. These tapes are easy to tear by hand and have just the right stickiness for temporary placement without leaving residue behind. They work well on paper, cardboard, glass, and other surfaces, making them ideal for everything from labeling and decorating to painting and design work.

WHAT'S INCLUDED:

- **8 Rolls of Craft Masking Tape**
 - Length: 10 feet per roll
 - Width: 1/2 inch per roll
 - Colors: 8 assorted vibrant colors

TOOLS NEEDED:

- **Scissors** (optional, but not necessary as the tape is hand-tearable)

STEP-BY-STEP INSTRUCTIONS:

1. Select a Color

- Choose the desired tape color based on your project.

2. Cut or Tear

- Pull out the tape to your desired length and tear by hand, or use scissors for a cleaner cut.

STEP-BY-STEP INSTRUCTIONS:

3. Apply to Surface

- Place the tape on your chosen surface and press down firmly to ensure it sticks well.

4. Peel and Adjust (if needed)

- If you need to reposition, gently peel off and reapply as required.

PRO TIP:

- For an extra smooth finish, especially on intricate or angled surfaces, press down on the tape with a credit card edge or a flat object. This technique helps avoid air bubbles and ensures a more polished look.
