STEP-BY-STEP INSTRUCTIONS:

1. Select the Crochet Hook Size

- Choose a hook size appropriate for your yarn and pattern. The aluminum hooks are ideal for precision, while the iron hooks provide durability.

2. Use Stitch Markers and Counters

- Use marker circles and buckles to track your stitch count, especially useful for complex patterns.

STEP-BY-STEP INSTRUCTIONS:

3. Measure and Cut

- Use the soft ruler, straight edge, and scissors for measurements and clean cuts.

4. Store in PU Bag

- After use, place items back in the PU bag to keep everything organized and secure.

PRO TIP FOR CROCHET HOOKS & ACCESSORIES KIT:

- For comfortable crocheting, especially with smaller hooks, use the silicone needle cups as finger grips. They provide extra cushioning, helping prevent fatigue during long crochet sessions.
