

incraftables™

dual tip markers

PRODUCT INSTRUCTIONS

The **Incraftables Dual Tip Marker Set** is designed for artists, hobbyists, and anyone looking for versatility in their marker collection. Each marker has two tips: a medium, rounded tip for coloring and larger strokes, and a fine tip for detail work. This set is ideal for various applications such as sketching, lettering, journaling, and mixed media projects. With 24 vibrant, assorted colors, these markers offer a broad palette for endless creativity.

WHAT'S INCLUDED:

- 24 Dual-Tip Markers (Assorted colors)
- Storage Box to keep markers organized and portable

TOOLS NEEDED:

- **Smooth, Non-Absorbent Paper:** Marker paper or other smooth papers work best to prevent bleeding and smudging.
- **Optional:** A ruler or stencil for precise lines and shapes.

STEP-BY-STEP INSTRUCTIONS:

1. Select a Marker

- Choose your color based on your project needs.

2. Remove Cap

- Each marker has two caps, one for each tip. Choose the tip you need and remove the cap.
 - **Broad Tip:** Ideal for larger strokes and filling in large areas.
 - **Fine Tip:** Use this end for detailed line work, writing, or outlining.

STEP-BY-STEP INSTRUCTIONS:

3. Apply Even Pressure

- For optimal color flow and smooth lines, apply even pressure. Press gently to avoid fraying the tip.

4. Recap After Use

- To prevent the markers from drying out, always place the caps securely after use.

STEP-BY-STEP INSTRUCTIONS:

5. Store Properly

- For best results, store markers horizontally.

PRO TIP:

- For a **smooth gradient effect**, start with the broad tip for a base layer, and then use the fine tip to blend edges or add details. To keep your colors vibrant, use a light touch with the fine tip on the top layer to prevent dulling the color.
