earring making set

PRODUCT INSTRUCTIONS

The **Incraftables Earring Making Set** is a complete kit for crafting beautiful, custom earrings with ease. It includes high-quality materials and tools suitable for both beginners and experienced jewelry makers. With a variety of earring hooks, jump rings, and silicone backs in an assortment of colors, this set provides everything needed to create a wide range of earring styles. Plus, display cards and sealable bags make it easy to package and present your creations professionally.

WHAT'S INCLUDED:

- **Earring Hooks:** 200 pieces in Bronze, Gold, Silver, Rose Gold, and Platinum (40 pieces of each color)
- **Silicone Earring Backs:** 200 pieces
- **Open Jump Rings:** 750 pieces
- **Earring Display Cards:** 100 pieces
- **Clear Seal Bags:** 100 pieces
- **Tools:**
 - Chain Nose Plier (1 pc)
 - Jump Ring Opener (1 pc)
 - Tweezer (1 pc)

STEP-BY-STEP INSTRUCTIONS:

1. Prepare Your Design

- Choose the earring hook color and gather necessary components (jump rings, decorative beads, or charms).

2. Attach Charms to Hooks

- Use the chain nose pliers and jump ring opener to open a jump ring.
- Attach your charm or bead to the earring hook using the open jump ring.
- Close the jump ring securely.

STEP-BY-STEP INSTRUCTIONS:

3. Add Earring Backs

- Slide a silicone back onto each earring hook to hold the earring securely when worn.

4. Display & Pack

- Place completed earrings on display cards.
- Insert display cards into clear seal bags for neat packaging and storage.

TIPS FOR BEST RESULTS:

- **Stabilize Small Parts:** Use tweezers to hold small charms or jump rings for easy handling.
- **Avoid Over-Bending:** When opening jump rings, twist gently with the pliers to avoid deforming the ring.
- **Mix & Match:** Experiment with different earring hook colors to create unique designs.
- **Storage:** Use the clear bags to keep completed pairs together and prevent them from tangling.
