easel paper roll

PRODUCT INSTRUCTIONS

The **Incraftables Easel Paper Roll** is a versatile, high-quality paper roll suitable for a variety of creative applications. Designed for artists, educators, and crafters, it's ideal for use on easels, tables, or flat surfaces. This roll provides 175 feet of durable, 18-inch-wide paper, which is great for drawing, painting, sketching, and other art projects.

WHAT'S INCLUDED:

- **1 Easel Paper Roll**
 - Weight: 75 grams
 - Size: 18 inches wide x 175 feet long

TOOLS NEEDED:

- **Scissors or a Craft Knife:** For cutting the paper to your desired length.
- **Easel or Flat Surface:** To hold or spread out the paper.
- **Drawing Tools:** Markers, crayons, colored pencils, paint, or other art supplies based on your project.

STEP-BY-STEP INSTRUCTIONS:

1. Set Up the Paper Roll

- Place the roll on an easel paper holder, if available, or keep it on a flat surface.
- Pull out the desired length of paper.

2. Cut the Paper

- Use scissors or a craft knife to cut the paper to the needed size.

STEP-BY-STEP INSTRUCTIONS:

3. Create

- Use crayons, markers, paint, or other tools to create your artwork directly on the paper.

4. Storage

- Roll up any unused portion and store the roll in a dry, cool place to preserve its quality.

TIPS FOR BEST RESULTS:

- **Secure the Paper:** Use masking tape to keep the paper in place, especially if used on a flat surface.
- **Smooth Surface:** Ensure your work area is smooth and clean for the best results.
- **Use Both Sides:** Maximize paper use by using both sides for drawing or painting.
- **Proper Storage:** Store in a dry environment to avoid moisture affecting paper quality.
