# elastic string

PRODUCT INSTRUCTIONS

The **Incraftables Elastic Strings Set** offers versatile, high-quality elastic strings perfect for crafting, jewelry making, and other DIY projects. With three colors (White, Black, and Rainbow), these strings allow for creative customization and flexibility. Each roll is designed to provide durable stretch and resilience, making it easy to create long-lasting, comfortable projects.

## WHAT'S INCLUDED:

- **3 Rolls of Elastic String** (White, Black, and Rainbow)
- **Roll Dimensions:** Each roll provides an ample length of elastic string, sufficient for multiple projects.

## TOOLS NEEDED:

- **Scissors:** For cutting the elastic to your desired length.
- **Tape or Clip (optional):** To hold string in place while working.
- **Ruler (optional):** For precise measurement.
- **Needle (optional):** If threading through beads or small holes.

## STEP-BY-STEP INSTRUCTIONS:

### 1. Measure and Cut

- Use a ruler to measure the desired length for your project, then cut with scissors.

### 2. Secure Ends

- Tie knots at the ends to prevent fraying, especially for beading projects.

## STEP-BY-STEP INSTRUCTIONS:

### 3. Attach Components

- Thread beads or other elements, securing them in place as you go.

### 4. Final Adjustment

- Once all components are added, tie off and trim any excess string.

## TIPS FOR BEST RESULTS:

- **Stretch Before Use:** Give the elastic a gentle stretch before measuring to prevent it from loosening over time.
- **Double Knots:** To secure ends, use double or triple knots for extra strength.
- **Use Clear Nail Polish:** A dab of clear nail polish on knots can help prevent slipping.
- **Experiment with Colors:** Mix colors for a unique look, especially with the Rainbow elastic for multicolored designs.
