

incraftables™

fabric markers

PRODUCT INSTRUCTIONS

The **Incraftables Fabric Paint Pens** are high-quality markers designed specifically for decorating and personalizing fabric items. These pens work on various fabrics and are ideal for DIY projects, adding vibrant and long-lasting colors to your fabric surfaces. They're easy to use and allow you to create detailed designs or fill in larger areas with consistent color.

WHAT'S INCLUDED:

- **Fabric Paint Pens:** 12 pens in assorted colors
- **Colors Included**
 - Red, Orange, Yellow, Green, Blue, Purple, Brown, Black, White, Pink, Light Blue, and Gray

TOOLS NEEDED:

- **Protective Surface:** Place a piece of cardboard or plastic under the fabric to prevent any color bleed-through.
- **Optional:** Stencils for guided design or painter's tape to mark edges if precision is needed.

STEP-BY-STEP INSTRUCTIONS:

1. Prepare Fabric

- Make sure your fabric is clean, dry, and flat. Wash and iron fabric if necessary to remove wrinkles.

2. Start Designing

- Shake each pen before use and test on a scrap fabric piece if possible.

STEP-BY-STEP INSTRUCTIONS:

3. Apply Even Pressure

- For best results, press evenly and apply consistent strokes. Start with a light outline, then fill in with color.

4. Dry Time

- Allow at least 24 hours for the paint to set.

STEP-BY-STEP INSTRUCTIONS:

5. Heat Set

- To ensure the paint is long-lasting, iron over the painted area (on the reverse side or with a cloth in between) for about 3-5 minutes on low heat. Do not use steam.

TIPS FOR BEST RESULTS:

- **Layer for Intensity:** Layer colors for a bolder look. Allow each layer to dry before adding another.
- **Blending:** Blend colors by applying while still wet for a gradient effect.
- **Test Colors:** Some colors may appear lighter or darker on different fabrics, so test colors on a small area first.
- **Storage:** Store pens horizontally to keep ink flow even.
