

incraftables™

fuse beads

PRODUCT INSTRUCTIONS

The **Incraftables Fuse Beads** provide a fun and creative way to craft colorful designs.

This kit includes a total of 4,000 multicolored beads in 16 vibrant shades, allowing for endless creativity. Perfect for children and adults alike, these beads fuse together when heated, creating unique art pieces, keychains, and more.

WHAT'S INCLUDED:

- **Total Fuse Beads:** 4,000 pieces
- **Total Colors:** 16 multicolor options
- **Pegboard:** 1 piece (for arranging beads)
- **Plucker:** 1 piece (for easy bead placement)

TOOLS NEEDED:

- **Iron (not included):** To fuse the beads together
- **Parchment Paper (not included):** To place between the beads and the iron while fusing
- **Optional:** Tweezers (for precise placement of beads)

STEP-BY-STEP INSTRUCTIONS:

1. Design Your Creation

- Arrange the beads on the pegboard to create your desired design.

2. Cover with Parchment Paper

- Place parchment paper over the arranged beads.

STEP-BY-STEP INSTRUCTIONS:

3. Ironing

- Heat your iron to a medium setting (no steam). Press it down on the parchment paper for about 10-20 seconds, ensuring even heat distribution. Check to see if the beads are fused; if not, apply heat for additional time.

4. Cool Down

- Allow the creation to cool for a few minutes before removing it from the pegboard.

STEP-BY-STEP INSTRUCTIONS:

5. Finishing Touches

- Optionally, you can iron the other side for extra durability.

TIPS FOR BEST RESULTS:

- **Experiment with Designs:** Try creating patterns or shapes using different colors to enhance your creativity.
- **Use a Low Setting:** Start with a lower heat setting to avoid burning the beads. You can always increase the heat if needed.
- **Practice Patience:** Allow each piece to cool completely before handling to avoid breakage.
- **Store Beads Safely:** Keep leftover beads in a cool, dry place to maintain their quality.
