

The background features vibrant, abstract brushstrokes in shades of blue, orange, yellow, and green. Scattered throughout are various gemstone beads in colors like red, purple, green, white, blue, and brown. A large, light pink rounded rectangle is centered on the page, containing the main text. There are also stylized orange flower icons: one on the left and one on the right.

gemstone beads

PRODUCT INSTRUCTIONS

The **Incraftables Gemstone Beads Set** is a versatile kit for crafting unique jewelry pieces. With 1,000 beads in a range of 24 colors and sizes from 6-9 mm, this set includes everything needed to create bracelets, necklaces, earrings, and more. It's perfect for beginners and experienced crafters alike.

WHAT'S INCLUDED:

- 1,000 gemstone beads in 24 colors (6-9 mm)
- 400 spacer beads
- Elastic thread
- Silver wire
- 15 earring hooks
- 15 clasps
- 15 jump rings
- Tweezer
- Organizer box

TOOLS NEEDED:

- **Scissors** (for cutting thread or wire)
- **Pliers** (for working with clasps and jump rings)

STEP-BY-STEP INSTRUCTIONS:

1. Design

- Plan your jewelry piece by laying out beads in the desired pattern.

2. Stringing

- Use the elastic thread or silver wire to string the beads. Add spacers as desired for style.

STEP-BY-STEP INSTRUCTIONS:

3. Securing

- For bracelets and necklaces, tie a knot in the elastic thread or secure the wire with a clasp.

4. Earrings

- Attach beads to earring hooks using jump rings for extra stability.

TIPS FOR BEST RESULTS:

- Use the tweezers for precise bead placement.
- Test fit bracelets before finalizing the knot.
- Secure knots with a small dab of jewelry glue for added durability.
- Use the organizer box to keep all components organized and easy to find.
