TOOLS NEEDED:

- **String or Elastic Cord:** For creating necklaces, bracelets, or other beaded items.
- **Scissors:** To cut the cord to your desired length.
- **Bead Needle (optional):** For easier threading of smaller beads.
- **Glue (optional):** If you're planning to create permanent structures or designs.
- **Paint/Sealer (optional):** For customizing the beads with colors or finishes.

STEP-BY-STEP INSTRUCTIONS:

1. **Necklace or Bracelet**

- **Thread Selection:** Cut elastic or non-elastic thread to desired length.
- **String Beads:** Arrange beads by size or pattern.
- **Secure Ends:**
 - **Elastic:** Tie a knot and add a dab of glue.
 - **Non-elastic:** Attach clasp with a crimp bead.
- **Trim:** Cut excess thread and ensure knots are hidden.

STEP-BY-STEP INSTRUCTIONS:

2. Wooden Bead Garland

- Cut Twine: Longer than the garland length.
- String Beads: Alternate sizes or go for a mixed look.
- Secure Ends: Knot and add tassels or charms for flair.

3. Keychain Charm

- Attach Beads: Tie to a keychain ring, add beads, and secure with a knot.
- Add Details: Tassels or charms for extra style.

TIPS FOR BEST RESULTS:

- **Plan Patterns:** Lay out beads before stringing.
- **Spacer Beads:** Add between larger beads for flexibility.
- **Customize:** Sand and seal or paint beads as desired.
- **Secure Knots:** Double-knot for larger beads; use clear glue for extra hold.
- **Size Mix:** Mix sizes for a textured look or use one size for uniformity.
